

Dear Hilltop Guys - Namely Tom, Tom Jr., Jon, Rock,
"Cookie", Brian, Wes & Crew, Chris, and All
(Matt ☺)

Words cannot express our gratitude to every single one of you. You all made a challenging job (especially the plumbing ☺) run smoothly for our family, never inconveniencing ~~us~~ more than you had to. You were all friendly, cheerful, and professional, and we appreciate the fact that you always treated our house as the home it is, never as "just another job site." Thank you all so much for the time and thought you all invested. I would recommend Hilltop to anyone, without a single reservation or hesitation. May all of your jobs be blessed.

Most Sincerely & Fondly,
The Kubas Family
